SCHOOL WORKS

2022-23

My name is Shelley Todd and I manage School Works and the Print Shop and do the bidding and purchasing that is involved in School Works and other areas in the District. I handle special orders and special projects, including Buildings and Grounds and District purchasing and procedure issues. I cover custodial budgeting, training and allocations and assist with Maintenance and Buildings and Grounds issues. This is my 25th year with Pulaski County Schools.

This year, we are doing things a bit differently and I will be spending more time concentrating on custodial/ maintenance and building and grounds issues. Gwen Blanton will be working in School Works and the Print Shop from 830-230 every day.

Johnny will be back delivering 2 days a week. He missed us too much to stay away!! He will do deliveries on Tuesdays and Thursdays. The north side schools will receive orders on Tuesdays and south side schools on Thursdays.

As always, contact me anytime!
